Arts@Work is a FREE program that invites TEENS to CMCA's ArtLab to develop their skills by working on their own artwork in an open studio setting.

1:1 mentorship includes:

- Direct support, tailored to individual interests and emphasizing personal growth in the arts
- Monthly professional development workshops
- Portfolio building technique demonstrations
- Portfolio reviews
- Introduction to art writing and criticism
- Introduction to community art
- Resume building + cover letter writing

Leadership, Career Development and Volunteer Opportunities in the following areas:

- Gallery visits and studio visits with local artists
- Peer to peer critical response methods
- Job shadowing with local teaching artists and/or professionals at neighboring organizations.
- Lead or participate in Community, Public and Performance Art
- Exhibiting and promoting personal artmaking
